## Description

2021 420 Busta CUSTOM Side Console 30hp Mercury

PRICED TO GO!!!

The all new shape 420 Busta has been totally upgraded and to do this Quintrex has basically taken a 420 Renegade Hull and made it look like a Busta!

With our Custom Side Console this Busta has it all!!

Powered by a Mercury 30hp with hydrofoil

Front Cast Deck - carpet through out

Two folding chairs

Lowrance Hook 4x Sounder

Your ready to hit the water!

End result is the Busta now has the legendry smooth and dry ride of the Renegade with the only dimensional changes being it weighs 118kg less and is only 5cm shorter and that enables this boat to make effective use of less power!

What makes this Busta so special is we have given it a side console complete with non feedback steering making this an exceptionally easy boat to use not to mention sprightly due to its Mercury 30hp power with the end result being a very cost effective way of getting into a premium riding Quintrex forward controls!

Riding on a Genuine Quintrex 749kg ATM alloy trailer, not only is this package capable of anything put in front of it, it is also very light weight and can be towed by most vehicles.
