Description

2024 Quintrex Fishseeker 600 Custom Console Mercury 75hp EFI Tandem I-Beam Alloy

**6m Of Custom Centre Console perfection

**60hp to 90hp Mercury or Yamaha

Quintrex 600 Fishseeker Custom Centre Console also comes with a height adjustable T-Top that allows the boat to fit into a low garage without a large amount of effort dismantling it. The T top also provides welcome protection enabling a far more comfortable experience without the interference of poles and straps. Therefore, allowing you to have 360 degrees of fishability.

The 600 Fishseeker is a highly sort after among pro fisherman due to its smooth ride from its length and massive usable deck and has been coined as "the Limo". We have taken this very special 'Limo' hull and given it the full upgrade of our custom centre console that you can drive comfortably whilst sitting or standing. The efficiency of the hull also means you don't need to crazy with horsepower as many pro fishmen pair the package with the 60hp engine. We have elected to upgrade to power to take either the Mercury or Yamaha 75 but for those wanting the ultimate we can use the maximum 90hp motors. This combo really does make this the go any value for money package.

Importantly our custom consoles include Hydraulic steering for continual ease of operation and longevity.

Because our custom consoles are just that custom, we have far more flexibility in how best to fit all of your equipment in a way that works for you from the latest engine displays and GPS/ Combo units and sound systems power outlets and of course the engine controls and location with the end result being a console that is comfortable subtle and cutting edge yes, they are really that good.

Riding on a Full Drive on Quintrex I Beam Tandem alloy trailer with mechanical override brakes and an ATM of 2000kg is quite simply about as good as it gets as this package is easily and legally towed by almost any duel cab making this perfect for discovering remote locations in comfort with confidence.

Powered by either the Mercury or Yamaha up to the max of 90hp you can be assured of exceptional performance only eclipsed by industry leading economy

Ultimately at 6m The 600 Fishseeker is a lot of boat that provides a capacious amount of fishing space, Penultimate class leading smooth and dry ride, economy and proven reliability making this boat able to be many things to many people.
