Description

2024 YAMAHA WAVERUNNER EX Deluxe

Compact, light and fun. The 2024 Yamaha EX Deluxe has been engineered to excite, with many features coming as standard and normally only seen on a more expensive craft.

The EX Deluxe puts “personal” back into the words “personal watercraft”. This ski is nimble in the bends and packs a punch on the straights, courtesy of Yamaha’s award-winning TR-1 Yamaha Marine Engine.

Sharing design cues from Yamaha’s full-size watercraft, the EX Deluxe features full-length strakes and a stepped hull design for an exceptionally dry, yet exciting ride. Refinement shouldn’t be an optional extra, this craft comes with a reboarding step, Yamaha’s trade-mark compact mirrors and exclusive Reverse with Intuitive Deceleration Electronics (RiDE) system for improved control when decelerating, reversing and turning.

The Hull and Deck is made from a high-pressure Sheet Moulded Compound (SMC) fibreglass construction, giving the EX Deluxe a premium, class-leading finish and a soft ride.

At the helm, information is relayed to the rider via a digital display gauge. It also comes with a tow-hook for tubing and a large swim platform.

The EX Deluxe is the perfect blend of practicality, excitement and features, packaged in a great ride away price.

What you receive in this package:

- Alloy 650kg Move trailer
- 12mth Registration
- Basic safety gear
