Description

IN STOCK 2024 Yellowfin 6500 Cabin Yamaha 175hp

The original Yellowfin is the Cuddy Cabin - offering the best of both worlds, plenty of flowing air with generous dry storage and room in the cabin.

The boat is loaded with features like the Self-Drain Deck, hydraulic steering and a Massive 260L fuel tank.

The widest boat in its class- a massive 2.4metres wide. So much room to get around comfortably even with the family on board. Not only does this width give you an amazing amount of space on deck but it increases the overall stability of the boat. Much thinking has gone into making the hull more useable.
