## Description

600 Offshore Centre Console. This boat has been highly specced for a very fussy customer that wanted the best of everything and has only had 36 hours of use. The boat was built to show case the best the manufacture could do and the end result is an amazing custom boat that not only looks amazing but delivers exception performance.

The boat has some very special options like the 340lt flooded keel tank that allows that makes the boat super stable at rest. The ballast tank can be sealed once flooded to give you over 400kgs of weight in the keel to make the ride on the roughest of days very comfortable. The boat is paired with the 200 V6 3.4 Mercury which gives you able power and torque to push the big load. With 320lt fuel capacity, keel weight the centre of gravity of this boat is extremely low with offers a sensational ride.

The electronics package in the boat is as good as it gets. Fully NMEA networked to the engine and motorguide the Twin NSS Simrad screens, Auto pilot, and VHF are all the best gear in the current market. The Zip wake trim tabs also are the best available and only further enhance the ride and performance of the exceptional boat.

The trailer is a work of art and needs to be seen to be appreciated. The quality of this is clear to see and is rated to 3000 kgs with an Alco electronic brake system

"Crackafat" is a true example of you get what you pay for. This boat is of the highest of quality and will suit the fussiest of buyers and could not be replaced for under \$250,000.

Do you finance?

Yes we Finance, our Accredited Business Managers can provide approved customers with customised on-the-spot finance and insurance solutions.

How do I know that I am not buying a defective Boat?
